

*Coming in 2018: Stay connected seamlessly*

## **PREMIER AGENT APP**

*Your one-stop communication and messaging platform*

Manage all of your client conversations in one place.

- Eliminate the burden of managing communication across multiple channels and apps. Every message from your client comes together in your Premier Agent Inbox.
- Access all of your conversations wherever your day takes you. View messages on your desktop or on the go with the Premier Agent App.
- Streamline your ongoing email and text message threads. You can easily start a new thread or pick up an existing conversation directly from the app.

Be the first to try it out!  
As a Forum attendee, you have first access to text messaging in the Premier Agent App. Talk to one of our associates to learn more.
